# TURKEY WITHOUT TOURISTS

45' (GER, ENG subs), 30' (GER)

**The Refugee Crisis and the Fear of Terrorists. In 2016, more than 100 civilians were victims of terrorist attacks in Turkey.**

Now, tourists with vacation packages booked to Turkey are changing their minds at the last minute and the booking rates have declined by 40%. People are running scared - tourism in Turkey has collapsed. But many of the natives are dependent on tourism for their livelihood. Watch to see the effects terror and the refugee crisis have had on Turkey and how the people who live from tourism cope with the changing times.
