A CULINARY JOURNEY

12 x 45' (GER, 1 Ep ENG subs)

Top chefs Björn Freitag and Frank Buchholz embark on their culinary journey through Germany on a houseboat.

They will go on the hunt for good products, meet exciting people - and of course, prepare the most delicate dishes. Only the regional delicacies that they find on the shores of their excursions from agricultural businesses, small manufacturers and hobby gardeners end up being prepared! Come and explore the fine cuisine along the small canals throughout the north of Germany.
