ITALY - LAND OF MYTHS AND SECRETS

2 x 45' (GER, FRE, ENG subs)

Immerse yourself in an ancient land that is world renowned for its beauty, food, and culture.

This film takes the viewer on a vacation to two Italian regions: Puglia and Umbria. Each region contributes something different in turning Italy into what it is today, yet all share the unparalleled Italian charm. Puglia is known to have some of the most beautiful landscapes in the world. Umbria is considered the heart of Italy, home to many famous artists. We take the viewer to each of these regions, highlighting the characteristics that make each of them so special.
