## SOUTH ASIA - FROM THE HIMALAYAS TO THE INDIAN OCEAN

52' (ENG, GER)

Join us as we witness astonishing sights and immerse ourselves in the diverse cultures of South Asia.

Starting in the snow-covered Himalayas, the journey takes us through Nepal, India, and Sri Lanka. In Nepal, we observe monumental Hindu temples and stroll through the markets, getting to know spice traders and the oldest active potter in Bhaktapur. We then go to India and participate in Varanasi's daily Hindu ritual Ganga Aarti, and visit the India's largest mosque in Dehli. From here we head to Sri Lanka, and take a breathtaking train route through the Central highlands. We get to know tea farmers and coconut pickers that call this place home and teach us their trades.
