THE HUNTSMAN

4 x 45' (GER, ENG subs)

Hunting is so much more than just a hobby. We follow young hunters into the woods and get to know the real craft of hunting.

Hunting is not just a common sport, but also a skillful craft requiring expertise. To succeed in hunting a wild animal is an artistic act that requires technique, knowledge, and skill. The huntsman must be dedicated to the art of the hunt. We follow charismatic hunters into the woods and learn about the different types of wild animals and special hunting techniques. These hunters are passionate about their profession and truly put their heart into it. Join us as the adventure begins.
