TAX FREE - HOW CORPORATIONS ARE ROBBING EUROPE

45'

Trillions of Euros are hidden from the tax authorities worldwide every year. This hard-hitting investigative doc follows the money trail to the insiders, revealing how the big corporations are robbing us blind.

This doc unveils the gigantic dimensions of tax evasion in Europe and looks into the issue of political responsibility. Why do governments have such a hard time fighting tax crime? What effect does tax evasion have on democracy? Following the money trail, we look behind the scenes of business and politics, coming to the conclusion that tax avoidance has become a global industry with a huge and powerful lobby. Inside sources reveal how corporations hide their profits - in your country, too.
