ST. MARTIN: THE REAL MARTIN OF TOURS

52', (ENG, GER, FRE), 45' (GER)

St. Martin- a soldier, an ascetic, a philanthropist. Every year on the 11th of November, the lanterns remind European children of St. Martin.

The legend surrounding his sharing of his cloak has shaped our image of him and has made him the epitome of altruism and benevolence. Hardly anyone knows his true story - who is the man behind the legend and what is left of him? Our documentary seeks to answer these questions.
