THE GAUDI CODE

52' (GER, FRE, ENG subs)

La Sagrada Família: Everything about this building is mysterious and the secrets behind the construction have not yet been fully unravelled.

Today, experts are convinced that the architect Gaudí was a mathematical genius and that every single embellishing ornament actually serves an architectural purpose. Unfolding the artist's geometry and code as well as investigating the complex myths that revolve around his life and work is the central thread of this documentary: a detective story uncovering.

Original Title:	Der Gaudí Code - Das Geheimnis der Sagrada Família
Year:	2015
Produced by:	Prounen Film, Luki Media Spain, epo-film, SR/arte
