DREAMS OF THE SETTLERS - AN AMERICAN JOURNEY

3 × 45' (ENG, GER, FRE)

Follow us on a spectacular expedition through the extraordinary landscapes of North America.

Follow us on a spectacular expedition through the extraordinary and enthralling landscapes of North America. Embark with us on a fabulous journey, where we meet some remarkable people, who tell us stories about their countries. This is a road movie with breathtaking pictures taken from above, on land and in water, giving us a panoramic view of nature's beauty. Whether it is New England, Chicago or Florida, North America offers various kinds of beautiful sceneries and we are going to take you along with us.
