THE BUGATTIS

2 x 52', 90', 120' (ENG, GER)

Bugatti represents excitement, luxury, speed and perfection. It is the brand and legacy of one single man - Ettore Bugatti.

The Bugattis tells the exciting story of a family affair and a one-man show. And at the centre of the immortal legend is Ettore Bugatti; an innovative designer, engineer, artist and inventor and one of the most colourful and probably most stubborn characters of his time. This is a journey into the age of Art déco, when cars were objects of art. It's a movie about the history of a family as well as about people with a passion all over the world of today. It's the first movie to tell the whole story. The Bugattis - A family affair and a one-man show.
