## BEAUTIFUL KRISTA

90' (GER, ENG subs)

**Here comes Germany's next top model, the beautiful Miss Germany, Krista. The burgeoning star was first discovered by a young farmer in East Frisia.**

The farm animal is to be the chief component in building the trademark of the European agri-food industry. But her down-to-earth nature keeps balking at its recovery operations. With loving care and empathy the documentary explores the folly of Krista's career as the most beautiful cow in Germany.
