THE CITADEL

60' (ENG)

Matt Helliker and Jon Bracey aim to make the first ascent of the extraordinary 1200m long north-west ridge.

Dubbed 'The Mountain God', the Citadel stands at a stunning 3,000m in one of the remaining untouched corners of the Great Alaskan Range: The Neacola Mountains, which are largely unexplored due to their typically poor conditions and remote location. Matt Helliker and Jon Bracey aim to make the first ascent up the extraordinary 1,200m long northwest ridge. We take a front seat ride and are with them on every step of the way through all the hardships and struggles, disappointments and hopes.
