CUBA TO GO

2 x 52' (ENG)

Cuba - The largest island in the Caribbean is becoming a tourist attraction with its touching history and vibrant culture.

Ever since the embargo was lifted in the summer of 2015, Cuba's popularity has been steadily increasing. The largest island in the Caribbean is becoming a tourist attraction with its touching history and vital culture. Opening to the West has presented opportunities and risks to the country that was seemingly frozen in time. This two-part-documentary shows the drastic changes the island has undergone and rejoices in rise of Cuba based on the stories of its inhabitants. It shows their hopes and dreams that could not have been possible until recently. Follow us to this hot spot with its beautiful sites, rousing atmosphere and beautiful old cars!
