NEW YORK VERSUS TRUMP

30' (GER)

From the 8.5 million people living in New York, 500,000 are undocumented workers, now Donald Trump stands as a risk to their well-being.

Before his inauguration, controversy plagued the Trump campaign. And his time in office has been no different. But, the people of the multicultural city of New York are fighting back. Many New Yorkers view the newly appointed President as a direct threat to the all-round positive image of NYC. Now, people from all walks of life are dedicating their lives to the cause.
