## TOP-SECRET DOPING: HOW RUSSIA MAKES ITS WINNERS

60' (GER, ENG subs)

With a degree of clarity previously never seen, athletes, coaches and other whistleblowers have undermined the reputation of this year's Olympic and future football World Cup host Russia - before the camera and with plenty of evidence.

Our documentaries on the revelation of systematic, state-sponsored doping by Russian and African athletes were the start of the largest doping scandal in athletics in years. Athletes and coaches have been sanctioned. The World Anti-Doping Agency (WADA) has even recommended to ban the Russian athletics federation from the Olympics 2016 in Rio. Now the latest investigations found proof that the promised reforms are just lip service.
