## UNIQUE IN MUNICH

4 x 45' (GER)

**In the series Unique in Munich we accompany the people behind the well-known sights and tell authentic stories from the heart of the Bavarian capital.**

Whether on the roof of the Olympic Stadium, at the centre of the hustle and bustle in the 200-year-old Victuals Market, behind the scenes at the State Opera or on the extensive paths of the world-famous English Garden - we look into the Bavarian way of life and let the protagonists show us the "real" Munich.
