SECRETS OF ARABIA

5 x 52' (ENG), 5 x 45' (GER)

Shrouded in legend and mystery, the seven countries of the Arabian Peninsula with their amazing landscapes and ancient kingdoms are facing a rapid change.

In fact, the black gold bubbling out of the sand catapulted most of the seven countries almost overnight into modern times. Nevertheless, innumerable folk festivals, the promotion of ancient craftsmanship and the preservation of ancient sites testify to the great historical consciousness of the Arabs.
