

THE WORLD IN 30 MINUTES

## CUBA - IN BED WITH CAPITALISM

30' (GER)

**Cuba and Capitalism have been at loggerheads for about 60 years now.**

But, since the former US president Barack Obama lifted several sanctions against Cuba, it seems as though the icy relationship between the United States and the Latin-American country has begun to thaw. The government approved plan for the economy put forward by Raúl Castro is still in effect. But socialism is crumbling.

Original Title: Kuba: Heisser Flirt mit dem Kapitalismus

Year: 2017
