IBERIA'S RIVERS OF LIFE

5 x 52' (ENG, GER, FRE), 5 x 45' (GER)

The great rivers of Spain and Portugal far away from the tourist destinations show an unknown and mystical Iberian peninsula.

Like human blood vessels, rivers are the pathways of life. Almost every advanced civilization owes its development to the existence of these pulsing streams of livelihood. Rivers were the first highways; they transported knowledge, goods, discoverers and conquerors. As we follow these five great streams, we find once forgotten landscapes occupied by extraordinary folks with often unusual biographies. A five-part series about the great rivers of Spain and Portugal.

Episodes:

1. *Rio Duero/Douro*
2. *Rio Guadiana*
3. *Rio Tajo/Tejo*
4. *Rio Ebro*
5. *Rio Guadalquivir*

Original Title: Flüsse des Lichts
