LIBYA - RISING FROM THE ASHES

52' (ENG, GER, FRE), 45' (GER)

Libyan native and political scientist, Abdusalam Hamtoun journeys through his homeland. His objective: stir hope of change and a new start within the people.

For decades, the Western world only connected Gaddafi and images of civil war and chaos with Libya. Is there hope for a democratic new beginning in this shattered country? Libyan political scientist Abdulsalam Hamtoun wants to find out and takes the viewer on a journey through his homeland. The film reveals the other side of Libya: its amazing cultural richness and the once forgotten urban youths. From the ashes of the civil war and four decades of dictatorship blooms a functioning democracy with a new constitution.
