GARAGE GOLD

63 x 30' (GER), 2 x 30' (ENG), 19 x 30' (SPA)

Follow us as we take a look behind some closed garage doors. A portrait of passionate collectors and their rare machines.

Look around. What do you see? Billions of cars dominating the roads, boulevards and highways. But even in this car studded world, spotting even one of the more unique and exclusive car models on the street is like sighting the great white whale. So, where are they? Many are stashed away in the garages of die-hard car fans and old-timer junkies.
