# THE WOODSTOCK BUS - FINDING THE LIGHT

5 x 52' (ENG, GER), 60' (ENG)

**Come with us on a road-trip in search of America's ultimate lost symbol.**

To celebrate the 50th Anniversary of the Woodstock Festival, we're working with the original artist to resurrect, restore and repaint the Woodstock "Light" Bus. A Volkswagen bus that became the symbol of a generation at the famous festival in August 1969. With this series you'll find history and future combined. It's art. It's an icon. It's a journey. But most of all it's an opportunity to give everyone something to smile about.

**Episodes:**

1. *The Woodstock festival, the bus, and it's story*
2. *Dude Where's My Bus*
3. *The Restoration*
4. *The Art*
