THE WOODSTOCK BUS - FINDING THE LIGHT

5 x 52' (ENG, GER), 60' (ENG)

Come with us on a road-trip in search of America's ultimate lost symbol.

To celebrate the 50th Anniversary of the Woodstock Festival, we're working with the original artist to resurrect, restore and repaint the Woodstock "Light" Bus. A Volkswagen bus that became the symbol of a generation at the famous festival in August 1969. With this series you'll find history and future combined. It's art. It's an icon. It's a journey. But most of all it's an opportunity to give everyone something to smile about.

Episodes:

1. *The Woodstock festival, the bus, and it's story*
2. *Dude Where's My Bus*
3. *The Restoration*
