24H EUROPE – THE NEXT GENERATION

24 x 60' (ENG, GER, FRE)

24 hours - 25 countries - 66 protagonists - 1 show: A day in the universe we call Europe, told through the eyes of the young.

They are on the verge of adulthood yet live at the fractures of the continent. Introduced in real time, uninterrupted, from 6 am to 6 am. A programme of parallel worlds and contradictions, a contemporary document and a manifest for a future in the making. *24H Europe – The Next Generation* is a 24-hour expedition into the European continent and to the people who are its future. The program follows 66 protagonists from 25 nations, between the age of 18 and 30. They lead us into their world, share their everyday lives, their dreams and realities.
