OF LOVE AND DEATH

90' (GER, ENG subs)

Following an accident, Robert Wolf is paralyzed from the neck down. Over six years, Katrin Nemec follows him and his wife, up until the time of Wolf's self-determined death.

After being involved in an accident for which he is not to blame, Robert Wolf, the successful guitarist from the band Quadro Nuevo, is paralyzed from the neck down. He increasingly feels he doesn't want to live a life in which he is dependent on others and unable to make music. At the same time, his young wife tries everything in her power to rebuild their life together.
