# CHASING THE NORTHERN LIGHTS

10 x 45' (NOR, ENG subs), 90' (GER)

**Well above the Arctic circle, in the far north of Norway, the small town Tromsø is experiencing an invasion of tourists.**

People from all over the world are travelling halfway across the globe to get to the arctic town. The reason: to experience the Northern Lights. While the arriving visitors are looking for the experience of their lifetime, the local population works around the clock to keep the guests happy.
